San Antonio Shirdi Sai's Vaayu Prathishta

Until a few months ago, it was just a dream. With the blessings of Baba and with the support of the community, Sri Shirdi Sai Devotional Group of San Antonio was formed with a vision for Sai Seva. Hands started coming together - selfless effort of the group, tireless dedicated hours from the community lay the initial foundation. The dream became true on July 12th, 2014, when our beautiful Baba temple was inaugurated on the auspicious day of Gurupoonima.

With His blessings, the temple is planning to purchase a bigger Baba's idol, clothes, ornaments, throne and crown for Baba. We request you all, please avail this opportunity and be part of this celebrated event. Your participation and contribution will help the temple in bringing the fine piece of art work and Baba's idol that will be used and enjoyed for generations.
